Mr. Manhole
Attn: Trip Davis
125 S. Canal Street
Delphos, Ohio 45833

The Division of Streets, Roads & Forestry for the Lexington-Fayette Urban County Government in Lexington, Kentucky takes pride in maintaining the streets and infrastructure of our city.

In 2009, we purchased the Mr. Manhole System for the removal and replacing of manhole frames and lids. We have had success with the system including great support from the company. We like the ease and speed of the Mr. Manhole system as well as the great looks of the finished product. We are very pleased with the Mr. Manhole products.

Sincerely yours,

Samuel R. Williams
Director
